Philadelphia March 15, 2010

Its that time of year again and summer is around the corner. Millions of Americans will be getting set for the season with fresh landscaping, a pool cleaning, lawn care, and general spring cleaning. A monumental task awaits many unsuspecting homeowners, cleaning the family BBQ grill. It laborious and unrewarding, and most often the results leave one wanting. Its no surprise that establishing an added grill cleaning service to an existing traditional summer service business adds a dynamic and fruitful way to increase per client profits.

Intensive study on the number of people who own and use BBQ grills shows that the vast majority of people in this country love to BBQ and they love to do it more than twice a week. They invest heavily in high end grills and take a certain pride in them. For all that passion, it remains a huge pain to most to face the job of cleaning the modern behemoths of BBQ. You would think that some smart person has a booming business offering to clean these giants professionally. One company, BBQ Cleaner LLC., has one thing to say about that, smart people wanted. They are offering a complete package to start your own grill cleaning business at minimal cost.

As a stand alone service or as an addition to; landscaping, pool service, lawn care, gutter cleaning, window washing etc., the BBQ Cleaner LLC. system is a proven business model to provide grill cleaning services affordable, both to owner and client. The professional results gained, using the exclusive Ovenu™ cleaning system, leaves clients satisfied and ready to sign up for regular cleaning schedules. Ovenu™ is an oven cleaning system developed in 1994 in the UK and shown to be highly effective for mobile grill cleaning. Its a time tested and market proven cleaning system.

The BBQ Cleaner LLC. provides all the tools, materials, and training, just like a franchise, without the franchise. Work your business your way while using BBQ Cleaner's brand, its not a franchise. The comprehensive start up package includes supplies, training materials, and even a trailer to do the cleanings. All you need is motivation and willingness to get dirty to get paid. Check out BBQ Cleaner LLC. at the website <http://www.bbqcleaner.com> for more information and success stories. Summer is almost here, be ready to make the most of it.

Headquartered in Hackensack, in Bergen County, NJ, The BBQ Cleaner offers a proven business opportunity to clean and restore barbeque grills. More information can be found at the website: <http://www.thebbqcleaner.com>
